COLLEGE COUNSELING AND PLACEMENT

COLLEGE COUNSELING AND PLACEMENT

MISSION

Our mission is to offer our students timely practical advice about the college search and application process. Our goals include:

- Encouraging students to explore opportunities for higher education that best meet their personal life goals.
- Encouraging students to identify personal talents and interests, and discover a range of colleges that match and engage these interests.
- And, in so doing, having students gain important skills in self-reflection, critical thinking, communication, and decision-making.

COLLEGE COUNSELING PROGRAM

The College Counseling Program begins first semester of the **sophomore (10th grade) year** with the College Explorations course. The course provides students with opportunities to:

- Evaluate personal strengths and interests, and begin career searches.
- Utilize tools to research colleges and universities of potential best fit.
- Review transcripts and assess college admission requirements.
- Gain familiarity with actual college/university applications.
- Attend college fairs and begin meeting with college admission representatives.
- Preparation for college placement testing (PSAT/SAT/ACT/TOEFL)

In the **junior (11th grade) year**, students (and parents, if on island or via SKYPE) attend information meetings and participate in individual or small group meetings with the college counselor to outline plans for standardized testing, college visits, financial aid and scholarship searches, interview preparation, and to begin early drafts of college application essays. SAT/ACT/TOEFL preparation is also offered during the junior year.

During the senior **(12th grade) year**, students meet with the college counselor to finalize college lists, finalize essays, complete applications, obtain teacher recommendations, schedule interviews, interpret award letters, and make enrollment decisions.
