

2012 Interim Selection Sheet

After thoroughly reading the on-line Interim Program brochure please rank your top 4 preferences below, using the number 1 as your **first choice**. Each selection sheet turned in to Mr. Reader or the Main Office by Friday, January 6th at 3:00pm will then placed into a lottery and drawn at random. Note: Upper School students will be placed in the first lottery, Middle School students will be placed in a second lottery. Any student turning in their selection sheet after January 6th will be placed into a third lottery. In order to be considered for the lottery, you must cut, print out and detach the bottom portion of this form, make your selections and obtain the signature of your parent/guardian thereby ensuring that you will be able to cover any financial requirements of the interim project. Unsigned forms will not be entered into the lottery. **Please note that financial aid is not available for interim projects, all financial responsibility lies with the student and his/her family. An initial deposit will due by February 1st and a final payment due on February 15th.**
