HEAD OF SCHOOL

A Perspective

Maui Preparatory Academy students are supported in their access to an exceptional education through the enduring generosity of our ohana. This community helps motivated and often under-resourced West Maui students by providing opportunities for academic achievement and enrichment.

The spirit and generosity of our community were on full display during 2018-19. We celebrated the largest gift in school history; constructed the Graham Center for Creativity, Innovation & Entrepreneurship; and expanded and renovated the Early Childhood Discovery Center. We also raised over \$3.4 million in our first capital campaign to construct the Bozich Center for Athletics and Performing Arts, thus setting a new fundraising record.

In 2020, we aspire to achieve so much more by reaching another milestone - one that celebrates our school's "Vision for 2020" campaign and commitment to "Making the World Our Classroom." With this report of giving, we recognize the remarkable generosity of the Maui Prep community and its impact on our students, faculty and staff. I hope you will be inspired by the stories of philanthropy we share in these pages.

For your support we are truly grateful.

Robert Landau
Head of School

"We recognize the remarkable generosity of the Maui Prep community and its impact on our students, faculty, and staff."

FROM THE PRESIDENT

Maui Preparatory Academy Board of Trustees

Maui Preparatory Academy enjoyed an exceptional year, and I would like to extend my heartfelt thanks to our generous community of donors.

This year we welcomed new Board of Trustees members Mary Anderson, Ralph Pais, Mark Merrill, Ma'Ann Sabino, and John Young, while saying "Aloha" to longtime board members, Dr. Kari Adams, Chuck Bergson, Jim Falk, Mary Anne Fitch, Lisa Gibson, and Dana Howeth.

"I wish to thank all members of the Board of Trustees for their continuing dedication to the work of Maui Preparatory Academy."

I wish to thank all members of the Board of Trustees for their continuing dedication to the work of Maui Prep, and particularly acknowledge Head of School Robert Landau and Principal Ryan Kirkham for their enduring support.

Thank you very much,
Jim Bozich

THE BOZICH CENTER

for Athletics and Performing Arts

There was no press release nor party to accompany the school's largest-ever gift, a donation from Board of Trustees President Jim Bozich and his wife Dana. Instead, quietly behind the scenes, they made their contribution and inspired others to give to the school's new Center for Athletics and Performing Arts. This is just the way the Bozich family likes to give, with little fanfare and great generosity.

"The biggest long-term benefit of this gift may not be financial," said Head of School Robert Landau. "Rather, it may be the infusion of school spirit and pride that has engulfed the campus since the donation. Far from simply meeting a pressing facilities need, this gift provides every member of our community with multiple reasons to meet, form friendships, elevate school spirit and pride when supporting athletic teams, and strengthening our culture through teamwork, competition and a sense of ohana in all we do. I pinch myself because it almost seems too good to be true. We are eternally grateful to Jim and Dana Bozich for this wonderful opportunity."

THE GRAHAM CENTER

for Creativity, Innovation, and Entrepreneurship

Thanks to generous leadership funding from long-standing trustee Brian Graham, Maui Preparatory Academy celebrated the official opening of its Graham Center for Creativity, Innovation, and Entrepreneurship in December 2018.

This transformational \$250,000 gift helps Maui Prep accelerate its “Vision for 2020” campaign with the goal of expanding opportunities for problem-solving, creative exploration, greater exposure to experimentation and a variety of possibilities for local and global exchanges.

This gift also allows Maui Prep to invest in professional development, fund essential equipment and technology, and supply new infrastructure for student exploration. In recognition of this gift, we changed the name of the Center for Creativity, Innovation and Entrepreneurship to the Graham Center for Creativity, Innovation, and Entrepreneurship.

“Consistent and extraordinary giving from the Graham Family Foundation makes a significant impact on Maui Prep.”

Consistent and extraordinary giving from the Graham Family Foundation makes a significant impact on Maui Prep. Their gift to establish a college counseling center, for example, funded construction of the office and expansion of its services. As a result, Maui Prep consistently sends students to their best-fit schools with the necessary scholarships and merit-based awards.

Support from the foundation also benefits numerous other Maui Prep initiatives, including support to establish the international boarding program in 2015 and construct the MakerSpace in 2017. Moreover, the foundation is a long-time supporter of our annual fund and tuition aid programs.

“This wonderful gift from the Graham Family Foundation is one of the most significant in Maui Prep’s 15-year history,” said Head of School Robert Landau, “and represents a substantial long-term investment in our mission and vision.”

“Maui Preparatory Academy is exactly where I want to be at this time in my life. I have been challenged through academics, extracurriculars and athletics, whilst pursuing areas of passion, and experiencing what it is like to live in a dorm.

I am confident that through consistent hard work on my part, Maui Prep is going to continue driving me toward my goals and helping provide me with the best future possible.

Go Pueo!!”

-Peyton Gillespie

PUEO PILOT SCHOLARSHIP

In 2011, Maui Preparatory Academy began offering the Pueo Pilot Scholarship to a well-rounded student demonstrating leadership potential in academics and a desire to make a positive impact in other areas such as fine and performing arts, community service, athletics and student government. Pueo Pilots attend Maui Prep on scholarship, tuition-free for up to four years. Funding for the program comes from benefactors who contribute nearly \$150,000 per year. To date ten students have received a Pueo Pilot Scholarship.

Peyton Gillespie (‘21, pictured at left performing with Maui Prep’s 7AM Band) was awarded the scholarship in 2018. “I am incredibly honored to be the recipient of the Pueo Pilot Scholarship Award. I am appreciative to the Maui Preparatory Academy community, especially the Pueo Pilot Donors, for the opportunities I have received to foster my growth as a student and be a part of the school ohana.

Maui Prep hopes additional donors will raise enough money to eventually provide several Pueo Pilot Scholarships each year. To donate to the school and our Pueo Pilot Scholarship, contact the Advancement Office at (808) 665-9966 x114.
